

Architectural Design Works Time Line

Please Note:

- The timetable / time line shown here is purely indicative of a theoretical typical small domestic project.
- Actual time lines are subject to prompt decisions and third party delays.
- Zendium Design will always ensure that you are kept informed of implications on time line.
- Local Authority approvals take typically 8 weeks each.
- Any changes to the design and drawings will obviously extend the time line.
- Construction period defined by the contractor and ground conditions amongst other issues.
- Should you have any queries, please do not hesitate to ask.
